

Ronald E. Perron, loving husband and father, passed away on October 19, 2022, at the age of 83, in The Villages, Florida.

Ron was born July 25, 1939, in Windsor, VT, to Henry and Blanche (Daneault) Perron. He grew up in Windsor with his (3) brothers and his beloved Pepe. He graduated from Windsor High school in 1960 where he met his wife, Sandra Stimpson. Their first date was the Senior Graduation party and they had been dancing together ever since. They married in 1962 and raised their (2) daughters in Hartland,

VT.

He was in the Army National Guard from 1956-1959 and then joined the Navy as a sailor serving on the USS Boston CAG-1 from 1960-1964. He started working at Goodyear Tire & Rubber Co. as a young man until it closed in 1987. He then worked at Timken/NH Industries until retirement in 2005.

Ron enjoyed dancing, singing, bowling, camping, snowmobiling, hunting, softball, going to country music festivals and watching westerns. He was also a Civil War buff. He and Sandra loved to travel and visited 37 states.

After retirement, Ron and Sandra bought a home in The Villages, Fl where they enjoyed several years of playing golf.

He is survived by his wife Sandra (Sam), daughter Michelle & husband Jimmy Packard, grandson Jason, great-grandson Jacob, daughter Sheila & husband David Duffy and his four-legged grandchild Izzy. Also survived by his sisters-in-law Nancy Marsh and Pixie Riviezzo as well as several nieces and nephews. Ron is predeceased by his parents, his foster parents Red & Madeline Butterfield, and brothers Raymond, Richard (Butch), and Reginald.

Ron will be remembered as a kind man with a great sense of humor, sparkle in his eye, and that Elvis smile. He loved to be social and would chat with anyone (never send him to the store if you needed something quick as he always ran into someone he knew).

There will not be a service at this time. You are welcome to sign the Tribute Wall and share a favorite photo via the links shown. In remembrance of Ron, you may send donations to your local American Legion or the Alzheimer's Association.
